Occasional Papers of The Museum are published by Texas Tech Press in cooperation with the Vice President for Academic Affairs and Research and the Office of Academic Publications. Contributions are numbered separately and issued on an irregular basis (approximately 10 titles per year). Title and contents pages are provided for sets of 20 numbers to facilitate library binding.

The preferred abbreviation for citing The Museum's Occasional Papers is Occas. Papers Mus., Texas Tech Univ.

Annual subscriptions to the Occasional Papers series are domestic, $20.00 and foreign, $26.00. Separate numbers are available at $2.00 each. Payment is accepted only in U.S. currency check, money order, or bank draft drawn on a U.S. bank. Prices include normal handling and postage when mailed to destinations within the United States (for foreign postage, add $2.00 per title or 200 pages of publications requested). Orders from individuals must be accompanied by remittance, and Texas residents must pay a 5 per cent sales tax on total purchase price.
